

**Alt Rock | Oquawka, IL / Burlington, IA**

**Yote** is a five-piece alternative rock band known for emotionally driven songwriting, a strong DIY ethic, and dynamic live performances. Since forming in 2023, the band has quickly built regional momentum through consistent releases, radio features, and an energetic presence across the Midwest.

Their debut album *A Garden To Keep* earned **Album of the Year at the Iowa Music Awards**, following three successful lead singles that received rotation on Z93.9. The band later showcased their versatility with the acoustic EP *Bloom*, featuring artist azra on the standout track “Headlights.”

Yote operates fully independently, handling all recording, mixing, merchandise production, video creation, and visual design entirely in-house.
